

ALCONA TOWNSHIP FIRE DEPARTMENT

RALPH M. KLOTZ - CHIEF

Home: (989) 736-3436

**Alcona Township Fire Department
Board Report
April 13, 2010**

A sale representative from Champion Rescue Tools brought his Jaws of Life unit for us to try. Saturday, April 24 Holmatro Rescue Equipment will be bringing their Jaws of Life unit, and on May 1, another company will be bringing their jaws unit to demonstrate to the department. After all demonstrations, department personnel will decide from which company to make our purchase.

In March there was a fire on US 23 in Black River, and a dump fire in Lost Lake Woods Club.

Respectfully submitted,

Ralph M. Klotz, Chief
