**Alcona Township Fire Department  
Board Report  
August 10, 2010**

Two people have submitted requests for firefighter positions at station #3 Lost Lake Woods Club, **Von Hoffman** and **James Wander**; they both have good driving records, and no criminal history.

The hotdog sale at Lost Lake Woods Club garage sale brought a profit of \$534.19.

The new Jaws of Life unit has been installed on engine one; training will begin as soon as we can set a date.

Thiem Electric has given me an estimate for \$580 to clean up splices, and bare wires in the attic at East Bay Fire Department.

Respectfully submitted,

Ralph M. Klotz, Chief
